ABOUT SHARE THE WARMTH

Share the Warmth is a non-profit organization located in Point St. Charles, one of the most disadvantaged neighborhoods in Montreal where the high school dropout rate is nearly 51%. Inspired by the vision of a vibrant community where all members reach their full potential, Share the Warmth's mission is to awaken hopes and dreams in the community through excellence in programming that fosters the overall development and success of youth, increases access to food security and health for all and offers work training programs.

THE SCHOOL FOOD PROGRAM

Share the Warmth's School Food Program provides healthy meals to 20 schools. Each week, about 1,700 students receive nutritious breakfasts, lunches, and snacks to help them do better in school while promoting healthy eating habits. The food delivered by Share the Warmth is free for schools and the model developed over the years is based on simplicity, efficiency, and nutrition. In partnership with McGill University's School of Dietetics and Human Nutrition, the menus are developed to ensure access to "ideal meals", which are nutritionally complete. Our goal is simple: optimize children's physical health and psychosocial development. Proper nutrition not only contributes to better overall concentration but also allows children to start the day off on the right foot: key ingredients for learning!

PROGRAM GOALS

- Increased access to food security
- Offer healthier food options to children
- Ensure all children are well fed at school
- Ensure all families have enough to eat
- Encourage and teach individuals how to cook and eat healthier
- Make a difference in the lives of all those who turn to Share the Warmth

COMMUNITY PARTNERS

We are asking our sponsors to make a contribution and become a partner in our community. As partners we share in the vision of providing individuals with the basic essentials, such as healthy meals and educational support, which will make a positive change in the lives of the people we serve. By supporting the Table of Hope event you will make a difference in the community!
