LOVE YOUR COMMUNITY – join us for a COMMUNITY SUPPER

All members of the community, friends and donors are welcome to our community supper and bake sale on February 21st at 6pm at Share the Warmth. We will be selling tickets at the door for this Mexican-themed dinner for \$5 for adults and \$3 for children. Come one come all to this open house to see for yourselves what we do at Share the Warmth. There will also be an amazing raffle draw.

LOVE YOUR SMILE

The McGill Mobile Dental Clinic shared their love of smiles at Share the Warmth last February 7th and treated 16 members of the community who could not otherwise afford dental care. We hope that this clinic will become a regular event at Share the Warmth—thank you McGill!

LOVE THE KIDS – SCHOLARSHIP PROGRAMS AT SHARE THE WARMTH

This week is Quebec Drop-out Awareness Week. Scholarships and tutoring support are two great ways to fight the drop-out problem in the province and in the area.

Did you know? Last year, Share the Warmth gave out 55 scholarships to local children in need of support for school-related expenses. This is up from five scholarships the first year!

Of the 55 awarded scholarships, 5 went to youth who are pursuing post-secondary studies. We are proud of them all and, with your help, we hope to be able to support many more in the years to come. On May 16th, support these youth by joining the Scholarship Award Celebration at Share the Warmth at 6pm.
