YOUR DONATIONS

Your donations support programs that help build a strong community for you and your neighbours. For all donations of \$50 and over, we will also send you a coupon for a meal redeemable at our Café from Monday to Saturday between 11:30 am to 2 pm. We hope you will take this opportunity to visit and to see for yourself how your gifts contribute to the community.

BRUNCH BRUNCH is now being served every Saturday from 10 am to 2 pm at Share the Warmth's Café-Boutique. Why not come and give it a try on a summer weekend? Once construction is finished mid-July, come and visit our new terrace on Fortune Street where you can sit in the sun while enjoying your meal.

Students at the Scholarship Awards Ceremony and the Launch of the new Tutoring and Bursary program for grades five and six students

TUTORING AND SCHOLARSHIPS

As of today, 88 area youth have benefitted from Share the Warmth's tutoring and scholarship programs over the years. Volunteers mentor them throughout their high school and post-secondary studies and 81% of them have already graduated.

Next year, we will launch a program for grade five and six students in the Point so they too can benefit from this approach that combines tutoring, scholarships and volunteer experience. One of our recipient had this to say about the program at the last Awards Ceremony:

« When I started this program, I wasn't very happy about having to volunteer, but after a few months, I realised that it was a great experience for me! »

INTERNSHIPS

Share the Warmth is blessed to welcome interns from different schools and universities during the year. They work with us on nutrition, communications, marketing and social economy, helping to improve our programming. Thank you for all your help!

TWO CONCERTS

Our instrumental and El Sistema music programs are open to all area children and youth. 100 students performed in two concerts this month, giving great performances showcasing all they had learned during the year. Congratulations to all the young musicians!
