SUMMER 2023 SUMMARY

THE SHARE THE HOPE OF OUR YOUTH : CAPTURING DREAMS THROUGH THE LENS

Share the Warmth joined forces with the children in our Youth Programming and their dedicated teachers to create a visual campaign. Through vibrant images and engaging videos, we were able to present the essence of our programs. As a community, we raised \$60,000!

A huge thank you to our youth who showed their gratitude for their program and their teachers, all while helping us fundraise. These programs would not exist without the help of our generous donors who allow us to continue to assist young people in our community. Thank you!

JEDI PROJECT (JUSTICE, EQUITY, DIVERSITY AND INCLUSION)

In July, we launched a new project called "Hope for All" with new funding as part of the Community Services Recovery Fund from the Government of Canada, financed in partnership with Centraide of Greater Montreal. We welcomed Anouchka Bruneau as the new lead of this wonderful project! She will take a deep dive into the accessibility of our services to our community.

The aim of this project is to ensure accessibility to our services from a perspective of justice, equity, diversity, and inclusion. As a result of this project, we hope to be able to adapt our programs and services, paying particular attention to filling gaps and ensuring accessibility for underserved populations. We've set up a committee to help us with this project, and we're still looking for applicants from our members! For more information, write to anouchka@partageonslespoir.ca.

SUMMER 2023 SUMMARY

Fruits and vegetables market

OUR PAY-WHAT-YOU-CAN MARKET - OPEN TO EVERYONE!

We have developed a new payment method that will support our Fruit and Vegetable Market! This new system accommodates everyone; it allows our neighbors of The Point that have the means to pay a bit more, to help balance out the bills of those who are unable to contribute our Pay-It-Forward price.

Our market's mission to remain accessible to our community stands, while encouraging those who can to give a little extra to pay-it-forward!

OUR NEW GARDEN

Benoit, our truck Driver, and head of building maintenance and our dedicated volunteer Vincent teamed up this summer to create a beautiful garden in our backyard. This green initiative will not only bring us fresh vegetables but will also open doors for potential agricultural activities in the near future.

WANT TO GET INVOLVED? Simple. Join our virtual food drive!

Individuals, companies, schools, clubs, teams, adults. . . we need you to help us raise money for our food bank!
